Secure Student Holding Operations:
Student Supervision/Care - Workflow and Decision Tree

STUDENT SUPERVISION/CARE
This function provides for general supervision and accountability for all students. This can be at the classroom level in a school-based reunification. Or in classroom groups at an off-site location. In a relocation a student manifest listing all arriving students will be provided to the ACCOUNTABILITY DESK upon arrival. Classroom units will be maintained for ease of student supervision and accountability whenever possible.

School teachers and staff notified to prepare for a Reunification Operation.

Have students been relocated to an offsite reunification location?

NO

Maintain supervision and control of students assigned to you. Provide reassurance and support to students as needed.

Route students to the RELEASE GATE location as requested.

YES

Provide a list of all students arriving with you at the offsite reunification site to the ACCOUNTABILITY DESK immediately upon arrival.

Maintain supervision and control of students assigned to you.

Determine locations and availability of provisions for student comfort (i.e., bathrooms, snacks, drinks, etc.) provide to students as needed.

Determine provisions for student emotional support and request as needed for specific students.

Route students to the RELEASE GATE location as requested as per your SOP.
