

*The Idaho State Board of Education is pleased to announce a partnership with the International Center for Digital Threat Assessment® (ICDTA).*

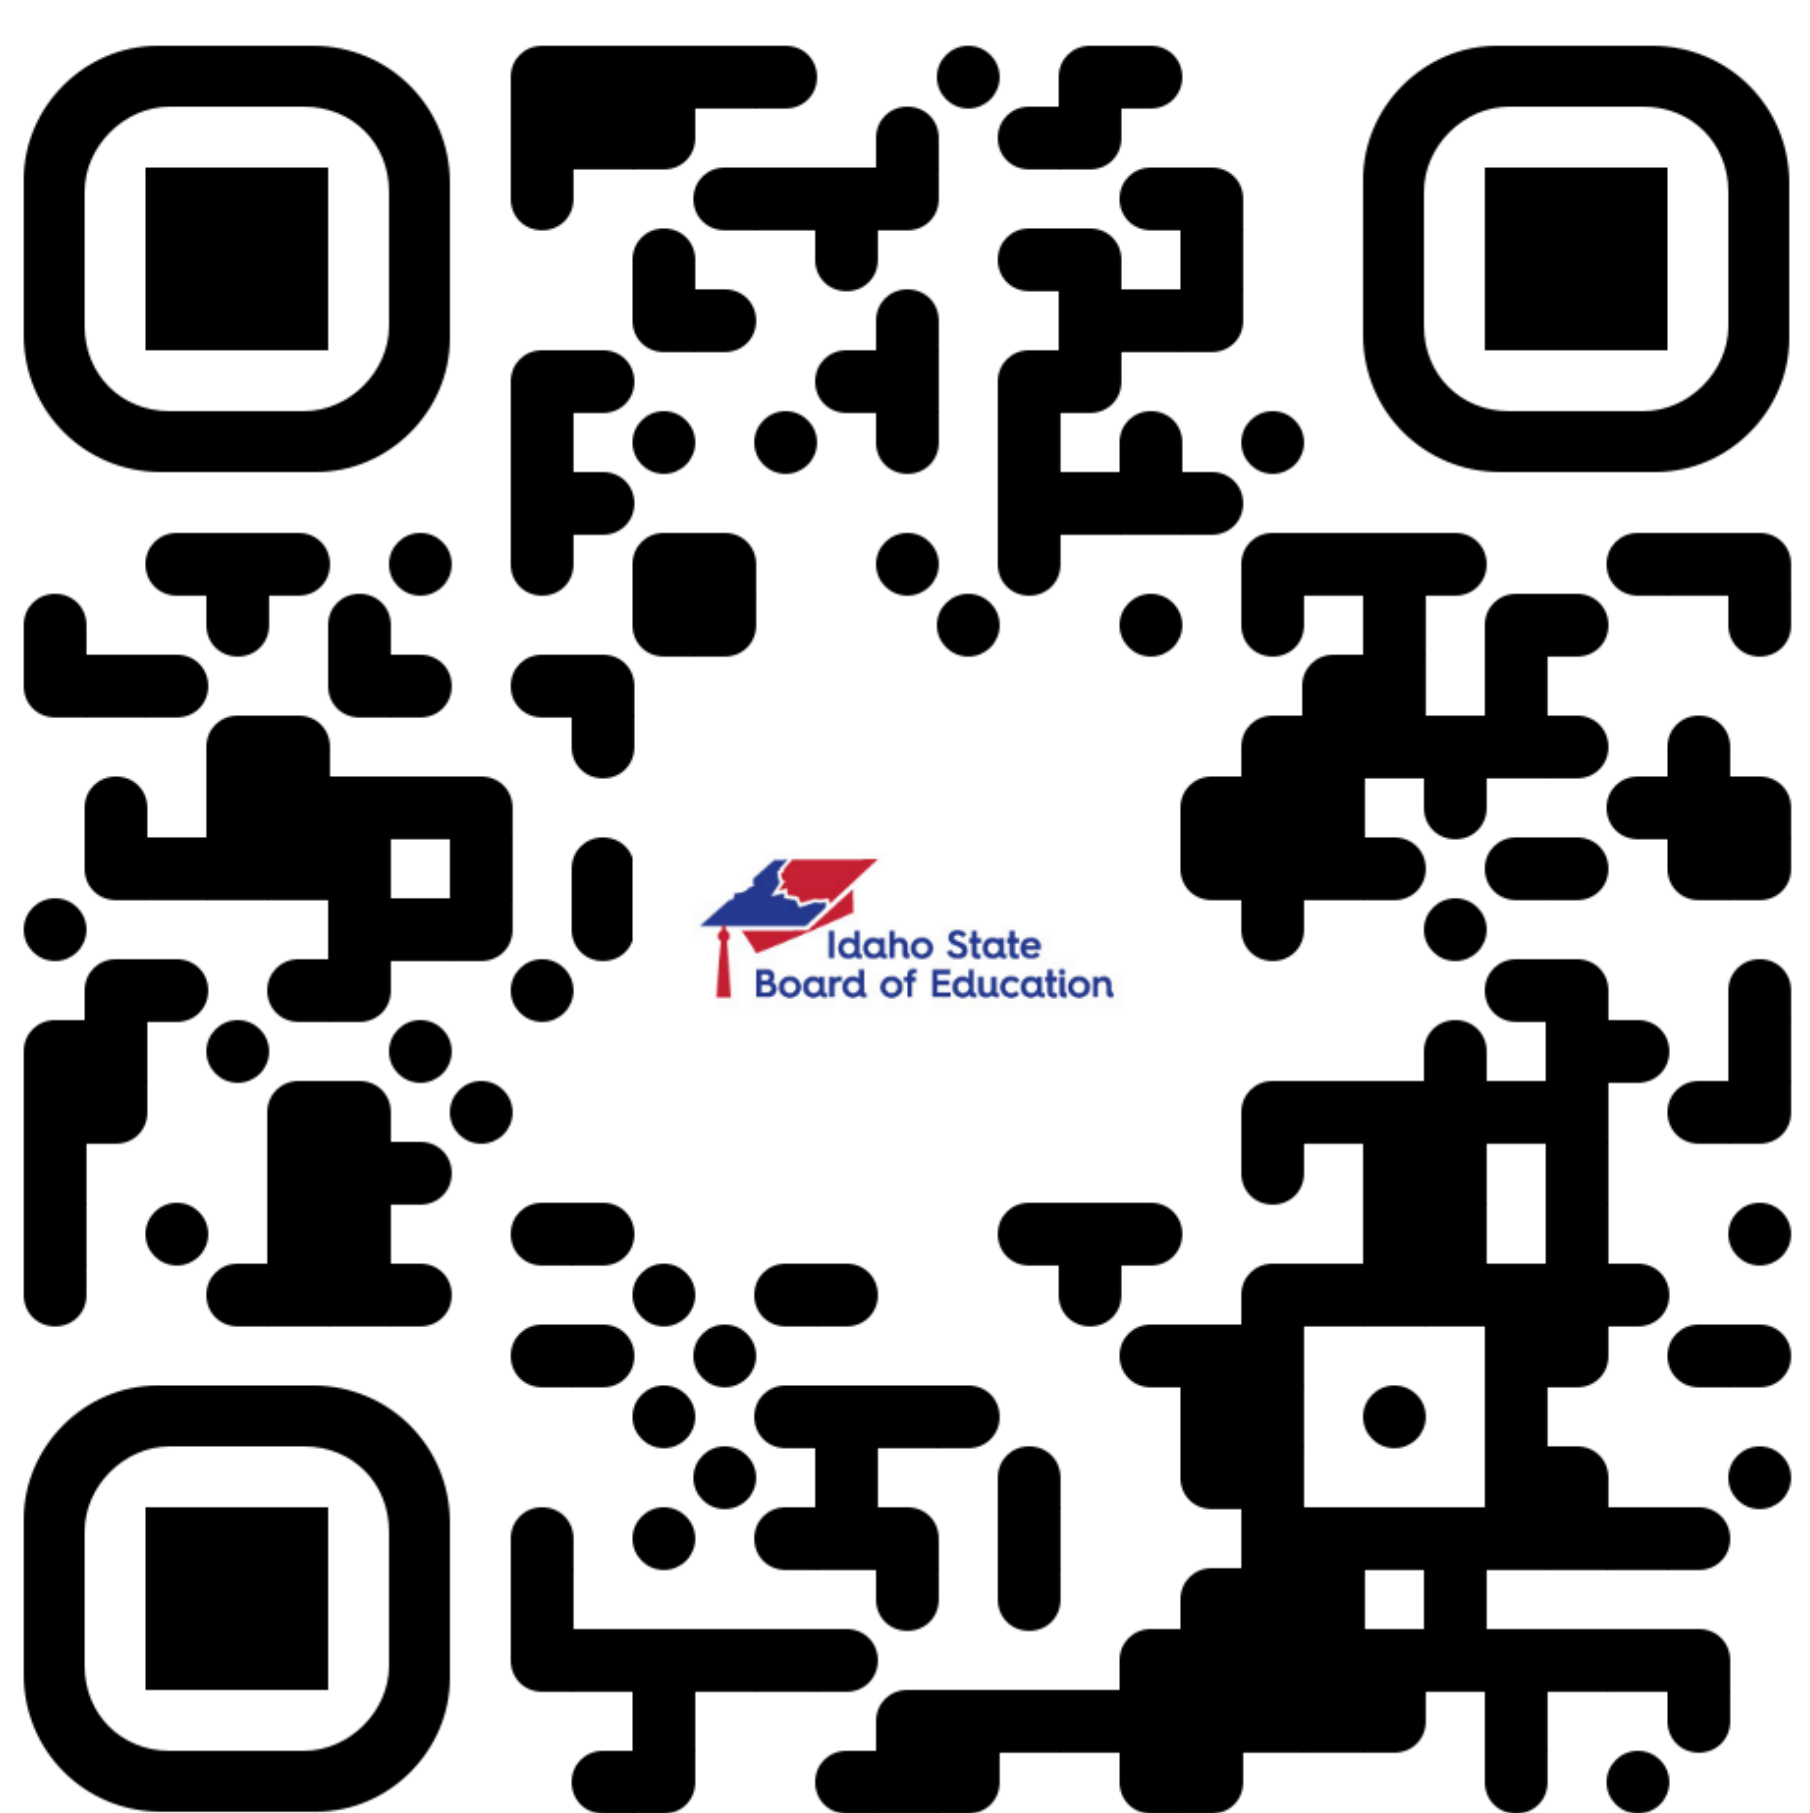

# DIGITAL THREAT ASSESSMENT<sup>®</sup>

THE MISSING LINK TO BEHAVIORAL THREAT ASSESSMENT

## Register for on-demand module. You will learn:

- To apply the principles of behavioral threat assessment to DTA<sup>®</sup>,
- To identify the digital behavioral baseline of individuals on the pathway to violence,
- To assess the language of online threat-related behavior,
- And more!

## REGISTER NOW

Password: *icdta\*1016*

Nearly 90% of threats are communicated digitally. DTA<sup>®</sup> training will teach you how to establish a Digital Behavioral Baseline through a Safety / Threat Assessment lens. By engaging with popular social media applications, you will learn how to find and document worrisome/threat-related open-source digital data originating from your community. This training will solidify your understanding of how to effectively use DTA<sup>®</sup> as a critical part of any modern-day Threat Assessment.
