

## **Recommendations for Acreage of School Facilities**

The recommended acreages below are guidelines meant to assist school districts in planning. They do not have regulatory force.

### Elementary

Minimum of 5 acres  
Additional acre for each 100 pupils

### Junior High Schools

10 acres for enrollments to 300  
15 acres for enrollments to 500  
20 acres + 1 acre for each 100 pupils for enrollments > 500

### Senior High Schools

20 acres for enrollments to 400  
25 acres for enrollments to 800  
30 acres + 1 acres for each 100 pupils for enrollments > 800
